About

Serving thousands of individuals and their families annually, Ability KC is the longest-standing comprehensive outpatient medical rehabilitation facility in Kansas City that is nationally accredited and recognized as a leader in value-based care.

Our organization proudly provides a unique, personalized approach to care, serving people of all ages through educational, vocational, and therapeutic services. From helping with a child's transition to kindergarten, to helping someone relearn how to drive or return to work, we're there for our community.

I am writing today to ask you to consider a sponsorship gift for "Colors of Ability," an art benefit for Ability KC, hosted by Buttonwood Art Space.

Buttonwood Art Space is a community-focused art gallery located in midtown Kansas City, where local and regional artists share their artworks and a commitment to area nonprofit organizations.

"Colors of Ability" will be on display from July 1 - September 24, 2025, with a public First Friday showing on Friday, August 1, 2025, from 5 - 8 p.m. We will also host a special VIP event before the public reception. Fifty percent of all art purchases will benefit Ability KC.

A list of sponsorship benefits is enclosed. For questions, please contact Gemma Zook, Ability KC Development and Events Manager, at Gemma.Zook@AbilityKC.org or 816-751-7932.
