Co-Chairs

As past and current Ability KC board chairs and co-chairs of the 2025 Ability Luncheon, we are honored to help lead this year's celebration. The Luncheon holds deep meaning for all of us who have served on the Board of Directors.

This year marks one decade since the formation of Ability KC, and more than 75 years of impact through the legacies of our founding organizations - The Rehabilitation Institute of Kansas City and Children's Therapeutic Learning Center. Through bringing together these two organizations, Ability KC has supported thousands of individuals, of all ages and across life's stages, in building brighter futures. Along our journey, over 180 board volunteers, representing those we serve, founders, partners, and supporters, have shown unwavering dedication to our mission. When describing these amazing champions of our mission, resilience and dedication come to mind, and we're honored to have them be a part of our Luncheon celebration.

We've both had the privilege of witnessing Ability KC's work up close: the expertise and innovation, the strength and drive of the individuals and families served, and the transformation that occurs through our center of excellence. This year's Luncheon is a celebration of all our achievements and a call to continue championing what comes next.

Your support makes it possible for Kansas City to be at the center of innovation in value-based rehabilitation—bridging across our communities and improving quality of life, from early childhood education and care through adolescents and adults gaining independence, returning to work and achieving goals while navigating critical injuries, illnesses, and disabilities.

We invite you to join us in this celebration of our community. Imagine the impact we can make together as we continue to innovate models of care and empower more individuals and families.

With gratitude,

Jim Clay

ABOUT THE ABILITY LUNCHEON

The Ability Luncheon is an annual celebration to commemorate the progress and accomplishments made at Ability KC through the dedication of our staff and the resilience of the individuals and families we serve. Each year, nearly 500 community members come together to hear powerful stories of growth, recognize the impact of supporters and partners, and celebrate another year of life-changing care.

With a focus on “Imagine Our Impact Together,” this year’s event highlights the power of community in creating lasting change for individuals with disabilities across our region and beyond.
