## RYAN'S STORY

In 2015, the lives of Ryan Owenby and his family took an unexpected turn when he received a difficult cancer diagnosis just two months after he and his wife welcomed their first daughter into the world. Ryan underwent two major surgeries to combat his illness and quickly started critical rehabilitation services at Ability KC, where he found strength and solace. Despite the challenges he was facing, Ryan forged deep bonds during his time at Ability KC with his therapists, fellow patients, and the dedicated staff, who became like family to him. His perseverance touched the lives of all who crossed his path.

Following Ryan's passing in 2018, his close friend Boomer Storms saw an opportunity to honor Ryan's memory while giving back to the supportive community. Over the span of three months, Boomer poured his heart and soul into organizing a golf tournament—a fitting tribute to Ryan's passion for the sport and his unwavering spirit.

What began as a modest gathering quickly blossomed into a remarkable tradition, drawing family, friends, and golfers from more than a half dozen states spanning from California to Florida and various walks of life. Amidst the excitement and friendly competition, the essence of the event has remained unchanged—it is a heartfelt celebration of Ryan's life and enduring legacy.

We invite you to join us in carrying forward Ryan's legacy of compassion, resilience, and community support. Your participation in this event not only

honors Ryan's memory but also directly impacts the lives of individuals and families served at Ability KC.

Every contribution made to the tournament directly supports Ability KC's vital programs and services, from innovative therapies to inclusive recreational activities. With your help, we can continue empowering individuals with disabilities to reach their full potential, ensuring that Ryan's legacy lives on in the hearts and lives of those we serve.

Join us on the green for the Ryan Owenby Memorial Golf Tournament benefiting Ability KC on May 9, 2026. Together, we can tee off for a cause greater than ourselves, knowing that each swing of the club makes a lasting difference in our community.
