Chairs

We are humbled and delighted to serve as Chairs for the 2026 Ability Luncheon. As lifelong Kansas Citians, we believe deeply in giving back to organizations that make a lasting, life-changing difference in our community. Ability KC is one of those organizations, and our connection to their mission is both meaningful and personal.

Adam serves on the Ability KC Board of Directors and as Chair of the Children's Center Campus Board, while Hillary serves across many philanthropic organizations and causes throughout our community. Through this service and involvement, we have seen firsthand how Ability KC supports individuals and families at critical moments in their lives and helps them move forward with strength and confidence.

We continue to be struck by how often Ability KC's impact touches people we know — friends, neighbors, coworkers, and acquaintances. While each journey is different, the common thread is the same: determined individuals making incredible progress in the face of significant challenges, supported by compassionate care and skilled expertise.

The 2026 Ability Luncheon is a chance to look forward and Champion Brighter Futures. Together, we can ensure that more children, adults, and families have access to the care and resources they need to return home, to school, and to work — and to build lives full of possibility.

We invite you to stand with us as champions of this mission. Your participation in the 2026 Ability Luncheon creates meaningful impact by ensuring more individuals receive transformative care and support when it matters most. Along with the Ability KC board, leadership, and staff, we thank you for being part of this committed community of support.

# About the **ABILITY LUNCHEON**

The Ability Luncheon is an annual celebration to commemorate the progress and accomplishments made at Ability KC through the dedication of our staff and the resilience of the individuals and families we serve. Each year, nearly 500 community members come together to hear powerful stories of growth, recognize the impact of supporters and partners, and celebrate another year of life-changing care.

With a focus on “Champion Brighter Futures,” this year’s event highlights the vital role community plays in shaping what’s possible for children and adults with disabilities, uniting us around the belief that brighter futures are built when we champion them together.
